

2024 Michigan Public Safety Telecommunications Conference

Calling All Presenters!

The Michigan APCO/NENA Conference Committee is seeking breakout session proposals for presentations for the 2024 conference taking place

May 20-23, 2024 at the Delta Hotel by Marriott Muskegon Convention Center 939 3rd St Muskegon, MI 49440

This *Call for Papers* invites all APCO & NENA members, industry associates, business professionals, and educators to submit a written proposal for a presentation, workshop, or panel discussion. Interested instructors are required to complete and submit the attached form and a photo of the presenter(s).

Presenter Guidelines and Submission Requirements:

- Submissions should be of interest to public safety communications professionals on topics related to: 9-1-1 call-taking, telecommunicator/dispatcher training, law enforcement dispatching, fire or EMS dispatching, stress management, leadership, technical development, operational development, radio systems, PSAP design, and emerging technology
- Submissions must be relevant and educational for 9-1-1 professionals
- Submissions must not be company or product specific
- Presentations must fill the entire time slot in order to meet state training requirements
- Presenters are responsible for all lodging expenses
- The Delta Marriott will offer a reduced room rate of \$139 plus taxes and fees for conference presenters and attendees

Audio Visual

There is dedicated WI-FI in the conference area for all presenters to stream video and audio. Please bring an electronic copy with all audio/video material embedded in your presentation as a backup. A laptop, projector, speakers, and microphones will be provided.

Presenter Selection

Presenters chosen will be notified by the end of February and will receive:

- Registration for the day of presentation. If attending the full conference, you will receive reduced registration.
- Breakfast, lunch, and scheduled activities on the day of the presentation

Submission Deadline is February 9, 2024

Please direct questions regarding presentations and submissions to:
