I. Call to order

The meeting was called to order by Mr. Bradshaw 11:06 a.m.

II. Introductions

Members introduced themselves.

III. Approval of Agenda

Motion by Berry, supported by Brown, to approve the agenda as presented. Motion carried unanimously.

IV. Approval of Minutes of the March 16, 2017 Region 21 700 MHz RPC meeting

Motion by Berry, supported by Williams, to approve as presented. Motion carried unanimously.

V. Applications

A. Old Applications

1. None

B. New Applications

1. State of MI – Ottawa County

The application is for a new, 11 site, 13 channel simulcast system on the MPSCS. The full system will be a combination of Ottawa County and State channels; this application is for the County channels only. Ms. Henning needs to update the application regarding the Pierce Rd site, but there are no contour issues. **Motion** by Berry, supported by Williams, to approve. Motion carried unanimously.

2. Other

No other new applications

VI. Subcommittee Reports 700 MHz Plan Update

A. 700 MHz Plan Update Standing Subcommittee

No report

B. Other

No other subcommittee reports

VII. Old Business

A. First Net

Mr. Williams stated that the deadline is June 19 for the State plan, including pricing and convergence maps, followed by a 45 day comments period. AT&T is adding their own channels to the First Net channels, and can give pre-emption to public safety by the first of the year. Mr. Imeson stated that the intermod product by First net, if one the same tower with Verizon, may knock out the public safety channels.

B. CAPRAD Access – discussed in 800 MHz meeting

C. Other

No other old business

VIII. New Business

A. Canada Air to Ground

The comments period ends Monday. Mr. Bradshaw will prepare and submit comments on behalf of the committee supporting the NRPC (original comments were similar to APCO's).

B. Other

IX. Next Meeting Date

The next meeting will be Thursday, July 13, 2017, in Midland, at 11 AM.

X. Adjournment

Consensus to adjourn. Meeting was adjourned by the Chairperson at 11:45 AM.
